

Merry Dog Listener

DOG LISTENING RECOMMENDED BOOK LIST

Books available from Tasmanian Libraries

TITLE	Details	Comments
The Dog Listener Author: Jan Fennell	Publisher: HarperCollins Date Published: 2002 Format: Paperback Pages: 192	The first book Jan wrote - it outlines the philosophy and basis of her methods, the background to their formulation, and the foundation principles.
The Practical Dog Listener Author: Jan Fennell	Publisher: HarperCollins Date Published: 2006 Format: Paperback Pages: 224	A <i>practical</i> manual that offers all the "how to" advice of implementing Dog Listening with your own dog(s), including a step-by-step 30 day implementation program.
The Seven Ages of Your Dog Author: Jan Fennell	Publisher: HarperCollins Date Published: 2005 Format: Hardback Pages: 400	This is an excellent reference book which contains valuable information on raising dogs over their whole lifetime. It outlines how people can successfully implement the Dog Listening method throughout a dog's life.
A Dog's Best Friend Author: Jan Fennell	Publisher: HarperCollins Date Published: 2006 Format: Paperback Pages: 320	Jan's views on the qualities that distinguish what it is to be a good dog owner.
Friends for Life Author: Jan Fennell	Publisher: HarperCollins Date Published: 2004 Format: Paperback Pages: 288	Jan's autobiography
DVD – Jan Fennell – The Dog Listener - Check Ebay for availability	Features: Jan Fennell and Tony Knight Exempt from Classification Running time: 89 mins Format: Worldwide Produced by Acorn Media UK Copyright 2005	The DVD is an excellent explanation of the method and how to 'get started' or maintain leadership of your pack, and resolve unwelcome behaviours. If you aren't usually much of a book reader, or don't have sufficient time, then I would recommend this instructional DVD. It is also very suitable for children.
REAL FOOD FOR DOGS & CATS Author: Dr Clare Middle	Publisher: Fremantle Press Date Published: 2008 Format: Paperback Pages: 159	Best guide currently available on introducing your dog and cat to the benefits of Natural Feeding. It is simple to follow, easy to understand and straight forward to implement.
